This certificate certifies that the length of the above road race has been established by an accredited World Athletics / AIMS Grade A or B measurer employing the method of a bicycle calibrated with a "Golden Course". It remains valid for 5 years subject to the checks defined in the full measurement report submitted by the measurer being unchanged in any way. Any modifications to the course, however minimal, will nullify this Certificate and require a new measurement to be undertaken. Possession of this certificate does not indicate any sanction of the race by World Athletics or membership of AIMS.
